ECOCHAIR

by PIETRO LOVATO

Ecochair è la seduta operativa di domani, ed è già qui. Il know-how tecnologico di Moving è investito in una sedia ergonomica dalle linee sobrie, costruita intorno all'idea di funzionalità. Lo schienale in rete e l'adattabilità a ogni tipo di corporatura la rendono particolarmente confortevole, mentre una scelta consapevole dei materiali ne fanno un prodotto riciclabile al 98,5%.

Ecochair is the task chair of tomorrow, and it's already here. Moving's technological expertise shows in this ergonomic seat which is crafted with functionality in mind. Linear design, mesh backrest and a high level of adaptability to different body types make Ecochair always comfortable, while a conscious choice of materials allow to recycle up to 98,5% of this product.
