

OTAVO

OTAVO Q&R

by PIETRO LOVATO

Otavo è una famiglia di sedie che incarna l'essenza della seduta operativa da ufficio. Con due versioni disponibili, offre comfort e praticità, ergonomia e resistenza all'uso. L'ampia scelta di colori e materiali lo rende facilmente adattabile a ogni tipo di contesto lavorativo.

The Otavo family expresses the essence of task chairs. With its two variants, it offers the users comfort and functionality, ergonomics and durability. A wide range of colours and materials are available for it to integrate with virtually any kind of work space.

Girevole, supporto lombare e altezza schienale regolabili.
Versione Q: imbottita. Poggiatesta opzionale.
Versione R: schienale tappezzato.

Swivel, adjustable lumbar support and backrest height.
Q version: padded backrest. Optional headrest.
R version: Upholstered backrest.
