VIVA

by PIETRO LOVATO

Viva è una sedia direzionale dalle forme rigorose con un originale tocco di eleganza dovuto al profilo cromato dei braccioli che corre dietro lo schienale. L'opzione del bracciolo interamente rivestito le regala un'immagine di solidità e imponenza ancora maggiore.

Viva is a classic executive chair with an original touch of elegance provided by the chromed armrest profile which runs behind the backrest. The fully upholstered armrest version conveys an even greater image of solidity and majesty.

Linee classiche e imbottitura in morbida pelle.
Schienale alto.

*Classic design and smooth leather upholstery.
